

# WINTER ACADEMY 2011-2012

# SELECT ACADEMY 2011-2012

Premier Soccer Systems is a local organization dedicated to the total development of young soccer players. We focus on technical skill development to build players' confidence with the ball & on the field.

Improve your skills and game play, or learn how to play soccer with Premier Soccer Systems **Winter Academies**. Sessions include individual skill work and small group play. Academy sessions are designed to challenge all levels of players in fun match related activities.
